President's Message

*"All you need in the world is love and laughter. That's all anybody needs.
To have love in one hand and laughter in the other."
— August Wilson*

Allegheny West Civic Council business typically slows down dramatically during July and August, with the Council often not holding General Membership meetings during these high summer months. Because we do have to vote on the budget, we will hold the July meeting as scheduled on Tuesday, July 9th. However, our regular meeting space at Calvary Methodist is not available so we will relocate the meeting for July. The alternate location is not yet confirmed, information will be provided via email blast so please be on the lookout for that update. The July meeting will also be somewhat abbreviated as we'll have time constraints – the Treasurer's report and budget will have top billing, followed by Ways and Means and Housing and Planning updates.

We head into the slower summer months on the heels of a very busy spring. There are some people who deserve a special mention for their efforts on recent neighborhood events:

- **Carol Gomrick** – Chair of the Tour and Tasting event which was a big success in large part due to Carol's hard work. So many people volunteered their gardens, time, talents, etc. and Carol coordinated all that work! It was an impressive team effort and we're lucky to have Carol leading the way!
- **Greg Coll** – and his team pulled off a lovely Memorial Day picnic even going so far as to arranging perfect weather.
- **Diane Caruso and Trish Burton** – are responsible for the new brick pathway and beautiful look of the parklet at Western and Brighton. They corralled resources to finish this garden upgrade before the tour and it looks great.

Of course there are many others volunteering their time towards Allegheny West projects and events, we are very lucky to have many neighbors who give their time so generously.

And speaking of August Wilson, the cast and crew of the movie, *Ma Rainey's Black Bottom* will be around the neighborhood, particularly on the 800 block of W North filming in the next couple of weeks. Look for flyers with details on road closings and contact info to be distributed to affected homes.

The July 4th neighborhood picnic will highlight love, laughter and a rib cook off. Hope to see you there!

- Ann Gilligan, AWCC President

****Please note: The July 9th Membership Meeting will NOT be held at the Calvary Church. ****
******Location TBA via e-newsletter as soon as possible.******

- The filming is expected to occur between July 8th and 12th during daylight hours.
- The 800 block of W. North Ave. is anticipated to be closed to traffic for approximately two days so that exterior scenes of the street and buildings can be filmed.
 - A set depicting Chicago in 1927 is to be constructed in the lot between the Stables Building and Q Development in the 800 block of W. North Ave. Construction of this set will begin around June 20th but should not affect traffic on W. North.
- Exterior filming in the 700 block of Brighton Rd. expected to last approximately 2 hours.
- Interior filming of a home in the 900 block of N. Lincoln expected to last approximately 6 hours.
